Letter No. 6201 dy 16-11-97 from the Presidt of the Municipality in the Bangalore Dist. stating that the Municipality of Channapatna has resolved that octroi duty should be imposed on cloth at the rate of 5 As for 100 Rs worth of the article, and requesting that the proposal may be sanctioned

Order thereon L 75-97

Govt are unable to pass orders on the meagre information furnished in the Presidts letter, which, at the same time, furnishes an incorrect account of the proposal. The Copy of the resolution submitted with the above shows that the Board merely urged the taxation of betel leaves, cocoanuts, tobacco and areca-nut in addition to cloth, and that they nowhere suggested the rate to be imposed on cloth.

The Presidt is requested to submit correct and definite information on the following points:-

1) the articles proposed to be taxed,
2) the rate of duty to be levied on each,
3) the probable revenue that may be expected therefrom,
4) the amount of the abolished town cess which it is proposed

D. No. 786

Bangalore 8th December/97.

To,

The Secretary to the Government
of Mysore,
Genl & Rev: Departments.

Sir,

With reference to Government order No. 6551 of the 7th December 1897, L.F.75-97
I beg to state that as the Municipal boards had only been permitted by Government to consider the question of levying Octroi on piece goods in lieu of the loom tax, abolished, their proposal to levy Octroi on other articles also was not referred to in the covering letter from this office to Government, but the question of levying Octroi on piece goods alone was dealt with. The board in question did not recommend any rate, but simply resolved to levy Octroi on piece goods and other articles. The Vice President suggested a rate of Rs 5/. adding that the members had given their consent to it and the Sub Assistant Officer of Closepet supported

the recommendation and so it was advanced. If, however, the Government are pleased to think that that rate is too high the rate of Rs 2/ suggested by them may be sanctioned. The higher rate of Rs 5/ was recommended to enable the board to carry on more works of sanitation. At the rate of Rs 2/, Rs 100/. per annum may be expected.

I have the honor to be.

Your Most Obedient Servant.
